Douglas Axmen Soccer

Registration Refund Policy

Douglas Axmen Soccer Club (DASC) seasons run two times a year with open registration running prior to each. DASC must form teams and register players & adult volunteers with MA Youth Soccer and Midland Area Youth Soccer prior to the beginning of each season. As such, DASC sets a no refund date each season.

If it is determined a registered player can no longer play in the upcoming season, the registration fee is available for refund until the season refund cutoff date. Once the season refund cutoff has passed, the registration fee will not be available for refund.

Every registrant receives a registration confirmation email which lists the refund cutoff date for the In Town and Travel league dates for awareness.
